

Gifts of Securities & Stock

Gifts of securities are gifts of publicly traded stocks, bonds or mutual funds. This type of legacy gift enables a donor to make a substantial charitable gift, while not tapping into current or future cash resources.

It is very important to carefully consider how you would like your generosity to be designated and acknowledged, particularly if your gift is part of a legacy.

We are available to assist you with all aspects of the process, however, we recommend getting independent tax and legal advice. We want to ensure that you have the opportunity to give in the way that is most meaningful to you and your family.

If you would like further information on any of these ways to make a difference, please do not hesitate to contact us for more details.

Leave Your Legacy

40 years of making futures bright

You Can Make Futures Bright For a Lifetime

BC Family Hearing Resource Society (BCFHRS) relies on the generosity of individuals, foundations, service clubs and corporations to achieve our goal of ensuring that every child with deafness and hearing loss has a bright future. We work with families at the youngest stage in their child's life to resolve communication challenges. We teach families to work together to listen, to hear, to speak and to sign. We find the best way for this to happen for each child, based on their families' desires and strengths. Please join us in our endeavour to build a foundation for future learning.

Our mission is to help each child reach their fullest communication potential.

Leave a Lasting Legacy for Generations

You have worked hard to accumulate assets throughout your life. When you create a Will, you have the ability to determine how those assets are distributed upon your death to the individuals and charitable organizations of your choice. Including a bequest in your Will to BC Family Hearing Resource Society may be the best way to make a meaningful gift for the future.

Legacy gifts help ensure bright futures for children tomorrow. We invite you to consider including BCFHRS in your Will or estate; this option can help you make a wonderful gift for the future without affecting your current standard of living or income flow.

If you choose to leave a legacy gift, your gift will be recognized in our rooftop display in perpetuity and on our donor wall as well. BCFHRS will also honor a request for anonymity if that is your choice.

Together we can make futures bright.

Brightfutures for Children

Please Consider a Legacy Gift to BC Family Hearing Resource Society in Your Will.

Leaving a gift for the future is a beautiful way to leave your mark on the world. Designating a gift in your Will can be done easily, and greatly benefits the families we serve.

There are a variety of ways to plan a legacy gift to BC Family Hearing Resource Society.

Bequests – Bequests are the most common form of planned giving. When your estate is settled, the charitable gift stipulated in your Will is forwarded to BCFHRS and your estate is issued a charitable donation receipt for the full value of the bequest.

Gifts of Life Insurance Policies
By purchasing a life insurance policy now and transferring ownership to the charity of your choice, you will receive tax receipts for the premiums you pay each year. Existing policies may be transferred, or new ones may be taken out.
